

Geocache Guidelines

The following guidelines are to be adhered to when a geocache is proposed to be placed on park property:

- KCMO Parks and Recreation be advised as to the location of any geocache placed within any of our park areas or properties.
- No items be placed in a geocache that may be interpreted as offensive, racist or of a profane nature.
- Placement of the geocache shall not cause any damage to the park or amenities and/or pose any potential danger to park users.
- All geocache shall be clearly identified as a geocache to avoid confusion as to its nature and purpose.
- Geocache can be removed at any time for any reason by Parks and Recreation.
